

## Ramin Artang, M.D., F.A.C.C.

Cardiologist  
Mercy Cardiology

Dr. Artang is a familiar name when it comes to cardiac care in Siouxland. After serving as an assistant professor of medicine and cardiac imaging at the University of Nebraska Medical Center, Dr. Artang returned to Sioux City to join Mercy Cardiology. He is respected as one of the region's leading cardiologists. What does he do for fun? Dr. Artang participates in triathlons throughout the area. Makes perfect sense.
