

## Donald S. Ruffett, M.D.

Cardiologist  
Mercy Cardiology

Dr. Ruffett comes to Mercy Cardiology from Hartford, Connecticut where he was involved in a non-invasive cardiology practice while serving as an active staff member at Hartford Hospital. He is a member of a number of professional cardiology groups and works closely with patients who are dealing with cardiac issues. Dr. Ruffett loves to golf and garden and has found Siouxland to be a perfect outlet for those recreational activities.
